

## DLC Bulletin – Photo Special

4<sup>th</sup> November 2016

This is the newsletter of Dalbeattie Learning Campus and was set up to help inform our community of the latest developments in the construction of our new school. The High School website's "Parentzone" area remains the main vehicle for this bulletin and can be found at <http://www.dalbeattiehigh.org>. As always, you can get in touch at [doffice386@ea.dumgal.sch.uk](mailto:doffice386@ea.dumgal.sch.uk).

*Clockwise from top; Primary & Nursery school in foreground, showing skylights & initial tiling with Haugh Road & existing High School in background; above HS Hall & Stage area, with eastern staircase visible; new grass pitch & track preparation; car park and entrance area with existing HS to the right; rear of Primary School showing 3 roof ventilation dormers.*
